

## Where do I put trash/recycles on Fridays?

In an effort to decrease the garbage truck traffic on our roads we are implementing putting the recycle bins on one side of the street. The list below has each street listed noting which side of the street will have all of the recycling bins. Since these will be placed on your neighbor's lawn, please remove your bins as soon as possible after they have been emptied. There is a diagram attached showing the route. The truck picks up from its right side.

**PINE STREET – USE THE SHUFFLEBOARD/PICNIC AREA SIDE OF THE STREET**

**OAK STREET – USE THE ODD NUMBERED UNITS SIDE OF THE STREET**

**PALM STREET – USE THE EVEN NUMBERED UNITS SIDE OF THE STREET**

**PALMETTO STREET – USE THE RV UNITS SIDE OF THE STREET**

**SOUTH PARKWAY – USE THE PARK OFFICE SIDE OF THE STREET**

**HOLIDAY LANE – USE THE 41-52 UNITS SIDE OF THE STREET**

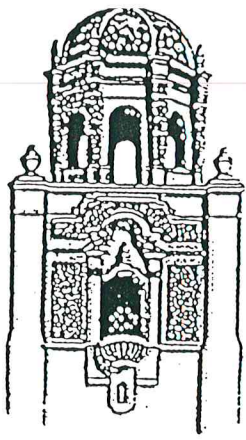

**HARMONY LANE – USE THE 75-86 UNITS SIDE OF THE STREET**

**CHEERIO HO LANE – USE THE 87-98 UNITS SIDE OF THE STREET**

**LEISURE LANE – USE THE 123-134 UNITS SIDE OF THE STREET**

**RAINBOW LANE – USE THE 135-146 UNITS SIDE OF THE STREET**
