GUIDELINES FOR USING THE POOL TABLES AND RELATED EQUIPMENT

1. Anyone using the pool tables and related equipment will be responsible for breakage due to improper use. If a piece of equipment is damaged during normal use, please notify someone to ensure repair or replacement.
2. It is requested that the users be considerate of other persons using the hall by keeping the noise down to an acceptable level.
3. Pool shooters that have shots they cannot reach by keeping one foot on the floor are requested to use the bridges that are provided.
4. Pool shooters are requested not to use the Masse Shot regardless of their level of ability.
5. Persons using the pool tables will be responsible for brushing the tables, replacing the table covers and turning off the lights. The last ones leaving the hall will be responsible for the following:
 - A. Return table and chairs to their normal locations.
 - B. Close any open windows, turn off the rec hall lights, fans and air conditioner, if used.
